

## My commitment to you

My family and I appreciate all that Dundee has to offer. As a member of this Michigan community I'm committed to working on your behalf. I have been active in the insurance industry for ten years and have acquired Property/Casualty and Life/Health licenses.

In addition, I have a BBA from Cleary University, am active within the local schools and give back to the community. I look forward to meeting new people within the community and helping them with their insurance needs.

I'd very much like to help you make your financial future more predictable.

Sincerely
